### **About Columbus Humane**

Since 1883, the mission of Columbus Humane is to fight animal cruelty, help animals in need, and advocate for their well-being. Today, they are a team of experts — skilled, caring and innovative people dedicated to their mission. But they can't do it alone. Columbus Humane is not a government agency, and they do not receive general operating support from national organizations. Rather, they rely on the support of private donors for more than 92% of our funding and remarkable volunteers to make our work possible.
